## **2010 - 2011 ENROLLMENT INFORMATION**

Children's House through Adolescents  
(2 2/1 year olds through 15 year olds)

Thank you for your interest in the Montessori School of Celebration. We are very excited about starting our twelfth year and we look forward to welcoming you to our school family.

The enrollment procedure is as follows:

1. You are invited to visit the school so we can give you a tour to show you our facility and the different classrooms.
2. Send in the application form and tuition contract, together with the registration fee. You will be put on the waiting list as of the day of receipt of this paperwork and payment.
3. You will be contacted to come in for an interview. The teachers will talk with your child and show him/her some of the activities she/he will be working with. Our Admissions Specialist will talk with you and answer any questions you may have.
4. For children 2.5 to 6 years old entering our program at the beginning of the school year we hold an Orientation Session in June to familiarize them with the procedures in the classroom. The teachers/administrators will talk with you about scheduling your child for this session.
5. If your child (any age) is joining us mid-year, she/he will be invited to come for a free, two-day visit that covers the program hours that he/she would be attending. During that time, your child will be introduced to the routines and activities involved in a regular day. At the end of the visit, the teacher will talk with you about your child's time in the classroom.
6. If both you and the teachers feel that your child will benefit from the programs offered at the school and there is space available, you may reserve a space for your child by submitting a \$700 tuition deposit that will be credited to the total tuition payment.

We look forward to getting to know our family. Please contact us if you have any questions.
